# ADVANCED AIR JUGGLING BALL

Available in June 2008

**NEW**

**63 mm** ref. J01061

**69 mm** ref. J01062

**75 mm** ref. J01063

Ball with a very soft feel, deforming slightly by taking the shape of the fingers and the hollow of the hand which catches it. Its weight and texture make the hands close automatically on the ball, avoiding drops during your performances.

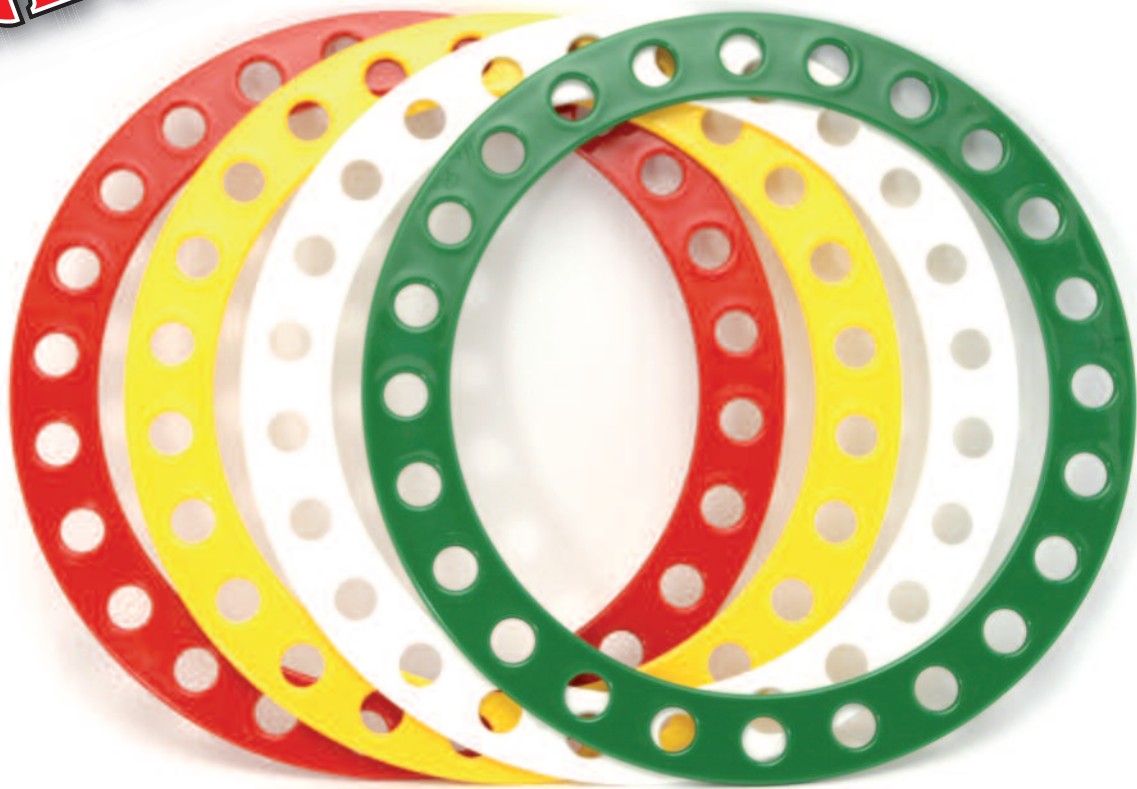

Ideal for beating your records.

# WIND RING

## New generation

**NEW**

ref. J01028

### LIGHTER:

The weight allows high throws and smoother catches, preventing injuries between thumb and index finger, as well as hard knocks on the fingers.

### MORE STABLE:

The holes in the ring create an aerodynamic effect, giving the Wind Ring very good stability for juggling outdoors as well as indoors.

### MATERIAL:

These rings are made from a soft material to give users the most comfortable feel.

### COLOURS:

White, orange, red, yellow, blue, green, glow-in-the-dark.
